TUKUA TŌ KŌRERO HAVE YOUR SAY

NPDC

We're reviewing parking in the CBD.

We want your feedback on proposed changes to:

- hourly parking rates
- reducing the paid parking area
- SuperGold parking
- mobility parking
- loading zones
- motorhome spaces
- short-term time restricted parking
- should the Downtown carpark building be leased parking only?

Elected members will consider your feedback before making any changes.

Feedback closes **Friday 29 May at 5pm.**

How parking charges are used
Revenue from parking helps pay for Council services and projects. Reducing or removing paid parking will mean less revenue and could reduce spending elsewhere, increase rates or mean finding other sources of funding.

Hourly parking rates

The cost to park in the CBD is currently $3 an hour for up to a maximum of 2 hours.
