On the proposed amendment to the NPDC Dog Control Bylaw 2022 – changing the New Plymouth Central Business Area from a prohibited area to leashed control area

New Plymouth District Council is consulting on a proposed amendment to the NPDC Dog Control Bylaw 2022.

The matter for consideration is whether to change the bylaw rules for the New Plymouth District Central Business Area (CBA) from a prohibited area for dogs, to a leashed control area for dogs. The following conditions would apply:

- Dangerous and menacing dogs would still be prohibited from the CBA.
- Dogs must be on a secure leash held by a person.
- The existing bylaw rules would apply in relation to immediate removal of faeces.

The Statement of Proposal, which includes the proposed bylaw amendment, is available online at npdc.govt.nz/HaveYourSay or from:

- Civic Centre, Liardet Street, New Plymouth.
- Puke Ariki Library.
- Service centres at Bell Block, Inglewood and Waitara.

Consultation closes on 23 September 2026. Late submissions will not be accepted.
